New Rattan Wicker Feline Baskets

Designed & Handwoven in Germany

The Arena wicker cat basket is just one of the many unique and elegant designs of pet-interior's designers and founders, Christel and Otto Meyer. The baskets enchanting shape with the additional back cushion, ensures support and protection for the ultimate place to nap.

DESIGNER FOCUS

Christel and Otto Meyer
Lichtenfels Germany

Meet the newest designer couple of our Lavish Tails team, Christel and Otto Meyer. Each and every design is constructed with a pets comfort in mind, as well as considering the integration of the product into modern living environments. In recognition of their hard work, pet-interiors has been awarded the Design Prize for Upper Franconian Trade in 2005 and were also nominated for the prestigious Design Award of the Federal Republic of Germany.
